McMASTER UNIVERSITY DIVISION OF EMERGENCY MEDICINE

THURSDAY JUNE 29, 2017 | 1200-1300

REGIONAL ROUNDS

Hamilton General Hospital - McMaster Clinic - Boardroom

Patients in Jail:
Challenges and opportunities for delivering excellent health care

Objectives:
1. To present information on the criminal justice system in Canada.
2. To discuss health status data for people who experience incarceration in Canada.
3. To describe health care in custody.
4. To identify opportunities to improve health care for this population, including in the Emergency Department.

Dr. Fiona Kouyoumdjian
MD MPH CCFP FRCPC
