FEEDBACK: COACHING LEARNERS EFFECTIVELY

Why do learners actively seek out feedback from some teachers and not from others? Why is important feedback sometimes ignored?

In this interactive workshop, participants will identify the elements of feedback to learners that are most likely to engender change, and will learn practical strategies to enhance their approach to providing feedback and coaching learners for success.

Learning Objectives:

By the end of this workshop, participants will be able to:

- ⇒ Identify the elements of feedback which engenders change
- ⇒ Consider the common pitfalls in delivering feedback
- ⇒ Implement strategies which are most likely to engender change in learners
