ORIENTATION FOR NEW FHS FACULTY

Anne Wong MD PhD FRCPC
Assistant Dean,
Program for Faculty Development
April 18, 2018
Congratulations, you’ve landed at McMaster University
Now What?

What is your role?

Where are you going with your career?

How do you get where you want to be?
Objectives

Define Faculty Development

Provide an overview of the Program for Faculty Development (PFD)

Discuss how PFD can serve you
What is Faculty Development?

• All activities that faculty pursue to improve their competencies in their faculty roles as: educators, academic health professionals, scholars and researchers, administrators and leaders

• Scope of Faculty Development:
  - Teaching Effectiveness
  - Career/Professional Development
  - Leadership Development
  - Educational Research and Scholarship
  - Resilience
WHY Faculty Development?

“Excellence is doing ordinary things extraordinarily well.”

JOHN W. GARDINER
Who is the Program for Faculty Development?

• An interprofessional group of faculty members committed to supporting you in your academic and professional roles as educators, scholars and leaders

• The Core TEAM:

Annette Sciarra (Prog. Administrator)
Elda DiCroce (Admin. Assistant)
Sahar Aghazadeh (Prog. Assistant)

David Braley Health Sciences Centre,
100 Main St. W.
5th floor – Suite 5004
Hamilton, ON
OUR MISSION

• The Program for Faculty Development is committed to building and sustaining capacity in health sciences education through supporting our interprofessional faculty in their academic and professional responsibilities as educators, academic health professionals, scholars and leaders.
How Does PFD help Faculty?

PFD Podcast Series
Soul on Fire: Narratives That Inspire

- Be inspired by podcast narratives of exemplary faculty!

- Website:  http://fhs.mcmaster.ca/on-fire/
Welcome to Our Podcast Series!

“Soul on Fire: Narratives that Inspire”

It is said that “the most powerful weapon on earth is the soul on fire” and that education “is not the filling of the pail but the lighting of a fire.” This podcast series is a showcase for the stories of exemplary McMaster faculty. I hope that these narratives will inspire you and other members of our academic community to realize your own passions and academic potential.

— Dr. Anne Wong, assistant dean, Program for Faculty Development

The podcast series is a Program for Faculty Development and McMaster Institute for Innovation & Excellence in Teaching & Learning (MIIETL) collaborative project funded by the Forward With Integrity initiative.

Arshad Ahmad

“My real interest in education evolved following a series of critical incidents...”

Arshad Ahmad is the associate vice-president, teaching and learning at McMaster University and the director of McMaster’s Institute for Innovation and Excellence in Teaching and Learning.

Read more and listen to Arshad Ahmad’s podcast

Catherine Anderson

“This is my community... this isn’t just my job that I do between these hours... this is how I’ve invested my life.”

Catherine Anderson is a teaching professor in the Department of Linguistics & Languages.

Read more and listen to Catherine Anderson’s podcast

Jean Chamberlain-Froese

“Every day, 800 mothers are dying from pregnancy-related complications... that’s like two jumbo jets crashing every single day.”

Jean Chamberlain-Froese is an associate professor in the Department of Obstetrics and Gynecology and an internationally recognized expert and consultant in women’s health.
