7			Clerkship Ends Ø	CIR (Concept Integration and Review)	Graduation			$\geq$				

 $\otimes$  = Research group meetings

\* = Students are required to complete a minimum of 80hrs of horizontal Electives at any point during year 3,4,5 of their PhD

 $\emptyset$  = Students (through the MD program) are required to complete a minimum of 24 weeks of electives. 7 of these weeks are completed between MF4 & MF5, while the other 17 are fulfilled during the clerkship period. Of the 17 weeks in clerkship, greater than 50% must be clinical electives.

**Inspiring Innovation and Discovery** 

<u>Interview schedule</u> Due to scheduling of MD interviews, MD/PhD interviews will occur on the same day as the candidate's MD interview, regardless of date assigned through MD admissions. Candidates will be individually contacted, by the MD/PhD program coordinators, as to the status of their application and interview in March or April.
