Using evidence from quantitative and qualitative research as well as systematic reviews, Dr. Dave Davis will discuss the forces which have helped move CME to a more integrated and outcomes-oriented stance.

Dr. Dave Davis was the AAMC’s lead for continuing healthcare education and improvement.

**NOT YOUR GRANDMA’S CME:**
What we’ve learned (and what we need to learn) about the continuing professional development of physicians

**WEDNESDAY**
**DEC 7TH**
**5:30 PM**
**DBHSC 2035/2036**
