OBSERVER POLICY with MEDICAL AFFAIRS/CREDENTIALS
Hamilton Health Sciences/St. Joseph’s Healthcare Hamilton

A. PURPOSE:

To provide guidelines to support observership placements for individuals who are requesting to gain knowledge and expertise about health care and/or services within a healthcare organization. This may involve the opportunity to observe specific procedures and/or patient care processes.

B. OBSERVERS:

Inclusions:

- **Fees Applicable**
  - IMG’S – who have been accepted to McMaster Postgraduate program
  - IMG’S – who have completed the Medical Council of Canada QE1 examination
  - Other Healthcare Practitioners, which include MD’s from outside of Canada; and Non MD’s from Canada or elsewhere

- **Fees NOT Applicable**
  - Canadian based actively practicing physicians

Exclusions:

- ALL Medical Students Cdn / US / Overseas - should be supported through electives program
- ALL Residents Cdn / US/Overseas - should be supported through electives program
- Recruits in Process & wanting to observe while paperwork/appt is finalized
- Undergraduate and other students: Option: Hospital Job Shadow Policy – eligibility requirements are set out by the department handling these requests at the respective hospital

C. DEFINITIONS:

An Observer is not considered an employee of the Hospital and therefore is not:

- Entitled to salary, benefits, reimbursement of expenses or other forms of compensation
- Covered under the Workplace Safety and insurance Board (WSIB)
- Covered under the organization’s liability insurance
- Entitled to receive educational credit or certification from the organization for time spent observing
- Entitled to access to Occupational Health Services

Role of an Observer:

An Observer is not permitted, in any circumstances, to provide any patient care. This prohibition includes but is not limited to:

- Taking a medical history,
- Conducting physical examinations,
- Diagnosing or treating patient’s conditions,
- Ordering, preparing or administering drugs,
- Documenting on patients’ health records, either in electronic or hard copy format,
- Having independent access to health records, either in electronic or hard copy format,
- Performing or assisting in surgical procedures, or diagnostic patient interventions,
- Obtaining consent,
- Interacting directly with patient/SDM,
- Providing health care advice.
DOCUMENTATION:

Documentation Required To Request Observership:
- Confirmation of completion of The Medical Council of Canada Qualifying Examination Part I (MCCQE Part I) [if applicable]
- Completed Observer Request Form (Appendix A)
- Statement of Agreement and Acknowledgment of Role & Responsibilities (Appendix B)
- Confidentiality Agreement (Appendix C)
- Completion of PRE-EMPLOYMENT HEALTH FORM (Appendix D) and all requirements, officially translated, if not in English
- Up to date Curriculum Vitae
- Copy of Degree – officially translated, if not in English
- Passport size photo
- All internal Hospital Approvals (Appendix E)
- Completed Observer Application Fee Form – for full period of Observership requested (Appendix F)

Note: Observership appointments are for a period of up to 4 weeks (1 month), renewable to a maximum of 12 weeks (3 months)

Observers are expected to arrange their own:
- accommodations during their visit
- health insurance
- liability coverage
- automobile insurance

E. POLICY:

Observers and Patient Interaction/ Sponsor:
- If the Observer will be present during any contact with a patient/SDM [substitute decision maker], prior to the Observer being present with the Sponsor individually or as part of a teaching group, the Sponsor must request verbal consent from the patient/SDM prior to any patient interaction
  - If the Observer is participating with the Sponsor as part of a teaching group, the consent obtained for the group will include the Observer; however
  - If the Observer is the only individual with the Sponsor, the Sponsor is to obtain individual patient consent.

To Remember:
- The Sponsor will introduce the Observer to the patient/SDM and explain the reason for the Observership.
- The Sponsor will document patient/SDM consent in the patient’s health record.
- Verbal consent is required from the patient/SDM to attend rounds or team meetings where patient care is discussed, and documented in the patient’s health record.
- Observers are not to view the patient’s health care record under any circumstances.

The individual approving the Observership must consider whether the Observership is consistent with and based on:
- The mission and values of the organization,
- Ensuring the safety of the patient or the patient’s Substitute Decision Maker (SDM),
- Respecting and maintaining the privacy of the patient and his/her family,
- Protecting the confidentiality of patient information and confidential business information of the organization.

All Observers must be partnered with an Active member of the Professional Staff/Sponsor, who is responsible for the supervision and safety of the individual participating at all times.

Termination of Observership
- HHS/SJHH may terminate an Observership at any time at its sole discretion. Concerns regarding the appropriateness of the Observer will be addressed by the Sponsor and, if necessary, by the Sponsoring Department Chief.
F. PROCEDURE - OBSERVER APPLICATION PROCESS:

A. Prior to initial request for observership:
   • Sponsoring physician will first seek approval from the relevant Clinical Department Chief.

B. Prior to final approval of any Observer:
   • Fully completed application and all required documentation must be received by the Credentials office minimum two weeks in advance of observation start date.
   • Letters of approval will be sent to the Sponsor prior to start date.

C. Final approval:
   • is granted by the VP Medical and the Medical Advisory Committee, if the applicant meets the necessary requirements.

See Appendix G for a detailed chart outlining roles and responsibilities of the Observer, Sponsoring Physician, Chief of Department and Credentials office related to:
   o Application Process
   o First Date and Orientation
   o Request for Extension of Observership
   o Last day – Completion of Observership

Observership appointments are for a period of up to 4 weeks, renewable to a maximum of 12 months [3 months]
Observer’s Statement of Agreement and Acknowledgement of Role & Responsibilities:

1. An Observer will not, under any circumstances, be involved in any form of direct patient care. Patient care involves, but is not limited to:
   - Taking a medical history,
   - Conducting physical examinations,
   - Diagnosing or treating patient’s conditions,
   - Ordering, preparing or administering drugs,
   - Documenting on patients’ health records, either in electronic or hard copy format,
   - Having independent access to health records, either in electronic or hard copy format,
   - Performing or assisting in surgical procedures, or diagnostic patient interventions,
   - Obtaining consent,
   - Interacting directly with patient/SDM,
   - Providing health care advice.

2. All Observers must comply with Hamilton Health Sciences &/or St. Joseph’s Healthcare Hamilton Observer Policy, and agree to abide by its By-Laws and Policies.

3. All Observers are required to maintain patient confidentiality regarding all cases observed. (You must read and sign the HHS/SJHH Observer Policy & Confidentiality Agreement included in this package.)

3. Your Sponsor must obtain a patient’s verbal consent for your presence prior to any patient contact. A patient’s right of refusal is to be respected at all times.

OBSERVER:

I have read and fully understand the information provided in this documentation package. I am aware of and agree to comply with the aforementioned roles and accountabilities.

I understand I may not Observe without all of the requirements being completed and having been cleared through the Occupational/Employee Health office:

Fully completed application to be received by the Credentials office minimum two weeks in advance of requested Observership.

APPENDIX C

OBSERVER CONFIDENTIALITY AGREEMENT

Check the appropriate organization (or both)

Hamilton Health Sciences
St. Joseph’s Healthcare Hamilton

All residents/patients/clients under the care of Hamilton Health Sciences (HHS) and/or St. Joseph’s Healthcare Hamilton (SJHH) and all staff and affiliates have a fundamental right to have their health/medical/personal information treated in confidence. I understand I am ethically bound to keep all information confidential and to treat patients and staff members with dignity and respect.

My signature below confirms my commitment to uphold the expectations, policies and ethical practice of confidentiality in all of my involvement with Hamilton Health Sciences (HHS) and/or St. Joseph’s Healthcare Hamilton (SJHH). This includes any information I may be privy to regarding patients, patient-related discussions, patient-related records and/or plans for patient care which comes to my attention while attending at the organization(s) as an Observer.

I commit to continue to respect and maintain the confidentiality of patients, residents, clients, and their families, staff and affiliates, as well as the confidential business information of the organization(s) even after my attendance at the organization(s).

I understand that I many consult my Observership Sponsor for details regarding this Agreement.

I understand that misuse, failure to safeguard, or the disclosure of confidential information without appropriate approvals may be cause for loss of affiliation with HHS and/or SJHH.

☐ HAMILTON HEALTH SCIENCES ☐ ST. JOSEPH’S HEALTHCARE HAMILTON

The Communicable Disease Surveillance Protocols for Ontario Hospitals, developed by the Ontario Hospital Association and the Ontario Medical Association, approved by the Ministry of Health and Long Term Care, and endorsed by the Canadian Medical Protective Association, in accordance with Regulation 965/90 Section 4 of the Public Hospitals Act, applies to “all persons carrying out activities in the hospital, and continuing surveillance based on risk”; and requires known immune status on all health care workers, including physicians, dentists, midwives, and special professional staff, for the following:

1. **Measles (Red Measles):**
   Were you born before 1970?
   Yes ☐ No further follow-up required.
   No ☐ Laboratory evidence of immunity. Attach report
   Or
   ☐ Documentation of receipt of two doses of live vaccine
   (MMR II or live measles vaccine) on or after 1st birthday
   
   Name of Vaccine #1_________________________ Date of Vaccine ________
   Name of Vaccine #2_________________________ Date of Vaccine ________

2. **Rubella (German Measles):**
   ☐ Laboratory evidence of rubella immunity. Attach report
   Or
   ☐ Documented evidence of Immunization with live rubella vaccine on or after your first birthday. (For women, results may be available from previous routine prenatal testing for rubella).
   
   Name of Vaccine ___________________________ Date of Vaccine ________

Revised October 1, 2009
3. **Varicella/Zoster (Chickenpox/Shingles):**
   Have you ever had Chickenpox or Shingles?
   - **Yes** ☐ (No further follow-up required.)
   - **No** ☐ or **Unknown** ☐: Laboratory evidence of immunity is required. Attach report
     
     □ Documentation of completed immunization with varicella vaccine (2 doses)
     
     Name of Vaccine #1 ___________________________ Date of Vaccine ____________

     Name of Vaccine #2 ___________________________ Date of Vaccine ____________

4. **MUMPS:** Evidence to Mumps immunity required:
   - □ Laboratory evidence of mumps immunity Attach report
     
     □ Documentation of receipt of 2 doses of mumps vaccine (or trivalent measles-mumps-rubella (MMR) vaccine) given at least 4 weeks apart on or after the first birthday.

     Name of Vaccine #1 ___________________________ Date of Vaccine ____________

     Name of Vaccine #2 ___________________________ Date of Vaccine ____________

5. **HEPATITIS B:** Although not required, protection against Hepatitis B is strongly recommended.
   If you have had post vaccination documentation of Hepatitis B antibodies greater than 10 IU/ml, you are immune. □ Attach report
   If you do not have proof of immunity by serology.
   - □ Having serologic testing
     You will be notified if your serology does not demonstrate immunity.

   □ Not vaccinated against Hepatitis B

6. **TETANUS DIPHTHERIA ACELLULAR PERTUSSIS VACCINE (Tdap):**
   Pertussis immunization must be documented.
   All healthcare workers and persons carrying on activities in the hospital who have not previously received an adolescent or adult dose of Tdap should receive a single dose of Tdap at their next tetanus booster.

   Please provide the date and name of any pertussis-containing vaccine received after his/her 14th birthday.

   **Date/Name of last Pertussis vaccine** ____________________________________________

   **Date of last Td booster** ______________________________________________________
If acceptable history or documented immunity to measles, rubella, mumps, pertussis, hepatitis B or varicella is not provided, appropriate immunization should take place.

Vaccinations must not be given by you and must be administered and recorded by another qualified health professional.

I am having blood drawn for:

☐ Measles
☐ Rubella
☐ Varicella
☐ Hepatitis B
☐ Mumps

At: _______________________________
7. **Tuberculin Skin Test (TST) Status:** Criteria for TB Surveillance

- Individuals whose tuberculin status is unknown, and those previously identified as tuberculin negative, require a baseline two-step Mantoux test, (proceed to #1) unless there is documentation of a negative Mantoux test within the previous 12 months, in which case a single-step test may be given. (proceed to #2)

- Individuals with a previously documented negative two-step test require an annual single-step test. (proceed to #2)

- History of BCG vaccine & negative TB skin test results need to follow the same schedule of testing. [*Previous BCG vaccination does not exclude the risk of infection]*

- Professional staff working in high risks areas such as respirology or pathology require periodic/annual TB testing. **NOTE:** pregnancy is not a contraindication to tuberculin skin testing

- TST must not have been be read by you & must be recorded by a physician or a trained Reg. Nurse.

**Active TB cases and TST conversions are reportable to Public Health.**

**TST Requirement**

**A. 2-Step TST required (if no previous 2 step documentation)**

*Or*

TST Requirement (continued)

C. BCG Status: □ never immunized □ immunized Date: ____________________________

D. If you have had a Positive TST Result:

i) Have you received treatment for Latent TB or Active TB:
   No □
   Yes □ provide dates and treatment provided:

ii) Chest X-ray report included for the following □ Attach report

   All professional staff with the following status require a chest x-ray.
   A copy of the report must be submitted to Employee Health
   • If there is no previous negative CXR evaluation of a positive TST
   • Newly positive TST
   • Previous diagnosis of TB without adequate treatment
   • If there are pulmonary symptoms that may be due to TB

To the best of my knowledge the preceding information is true and correct.
