The Continuing Health Sciences Education Program at McMaster University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Continuing Health Sciences Education Program at McMaster University takes responsibility for the content, quality, and scientific integrity of this CME activity. As an organization accredited to sponsor Continuing Medical Education for Physicians, by both the Committee on Accreditation of Canadian Medical Schools and the Accreditation Council for Continuing Medical Education of the United States, the Continuing Health Sciences Education Program at McMaster University designates this educational program as meeting the criteria for:

The College of Family Physicians of Canada MAINPRO-M1: This educational program meets the accreditation criteria of The College of Family Physicians of Canada, and has been accredited for 1.0 MAINPRO-M1 credit.

The Royal College of Physicians and Surgeons of Canada: This educational program is approved as an Accredited Group Learning Activity under Section 1 of the Framework of CPD options for the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada, for a maximum of 1.0 hour. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

Thursday, February 24th, 2011
6-8pm
MUMC, DI Classroom, 2S27

Chest & Cardiac Imaging
Moderators: Drs. Craig Coblentz and Carmen Otero

Educational Objectives: To review and discuss challenging and interesting cases in different disciplines imaged at HHSC.

• To identify and formulate the appropriate and evidence-based imaging algorithm
• To identify and distinguish imaging patterns of different disease processes
• To review the pitfalls in imaging and radiological interpretation

Learning Formats:
• Case studies
• Peer exchange and discussion
• Review of relevant literature
• Case based mini lectures

Presentation Policy:
• Participants are encouraged to bring at least one case.
• We hope to discuss between 10 to 20 cases

This event will be available through OTN video conference; event #14704461.
