

**Thoracic /Cross-Sectional Radiologist Position**  
Department of Radiology –McMaster University – Faculty of Health  
Sciences  
**Permanent Full-Time Academic Position**

**St. Joseph's Healthcare Hamilton**, Department of Diagnostic Imaging, affiliated with McMaster University, Department of Radiology, Faculty of Health Sciences (FHS), is seeking a full-time radiologist with a Thoracic Imaging Fellowship to join its team of 18 sub-specialized Radiologists.

**WHO SHOULD APPLY?**

The preferred candidate will have sub-specialized training in all aspects of Thoracic Imaging and be proficient in performing image-guided biopsy of the chest. Proficiency in cardiac imaging will be an advantage. The candidate should also have competency in other areas of cross-sectional imaging particularly body imaging and participate in an acute on-call roster covering all modalities. Candidates must be able to work in an interdisciplinary, collaborative environment, including supporting our Regional Thoracic Surgery and Respiriology Programs. This includes participation in regularly scheduled multidisciplinary rounds. Participation in weeknight and weekend general call is required.

This is a full-time faculty position at McMaster University, with academic rank commensurate with the candidate's qualifications and experience. The successful candidate will promote clinical scholarship and demonstrate strong potential for teaching, mentorship and scholarly research. Participation in teaching and supervision for the McMaster radiology residency program, allied residency programs and undergraduate programs is expected.

**ST. JOSEPH'S HEALTHCARE HAMILTON**

***Our Values – Dignity, Respect, Service, Justice, Responsibility, Enquiry.***

St. Joseph's Healthcare is a multi-site (3) acute-care, 740 bed teaching hospital in Hamilton, Ontario, Canada, and an affiliated teaching hospital of McMaster University, Faculty of Health Sciences. It operates as the Regional Referral Centre for Thoracic Surgery, Respiriology, Head & Neck Surgery, Mental Health and Addictions, Nephrology and Renal Transplantation, Urology Oncology and Bariatric Surgery. We also have strong medical and surgical services including Lung Cancer Diagnostic Assessment program (LDAP) Esophageal Diagnostic Assessment program (EDAP) and Breast Surgical programs.

The Diagnostic Imaging Department has two 1.5T MRI scanners, one 3T MRI scanner and two multi-slice CT scanners including CT fluoroscopy capability. In addition, a dedicated 3T Research MRI and PET/CT scanner are present in the St. Joseph's Imaging Research Centre.

**HAMILTON and SURROUNDING COMMUNITY**

Hamilton is a major academic and cultural centre lying between the shores of Lake Ontario and the Niagara Escarpment. The ethnic diversity of the City is reflected in its neighborhoods, educational institutions, galleries, shops, & restaurants. Hamilton is home to many festivals, concerts, sports event and its extensive trails and conservations areas provide opportunities for cycling and hiking. It is a family-oriented community with a modest cost of living.

**McMASTER UNIVERSITY – FACULTY OF HEALTH SCIENCES (FHS)**

With pioneering education advances and excellence in research, McMaster University has consistently placed among the top 50 universities in the world for health and medicine. The Michael G. DeGroote School of Medicine is world renowned for its innovative method of small group, problem-based education, and a focus on self-directed, lifelong learning. The Department of Radiology provides rewarding opportunities for faculty who are interested in education, clinical excellence, research and multi-disciplinary team projects.

## **APPLICATION REQUIREMENTS**

The successful candidate must adhere to the established Standards of Behavior for St. Joseph's Healthcare Hamilton. Qualified Applicants must either hold or be eligible for certification in diagnostic radiology for the Royal College of Physicians and Surgeons of Canada, have undertaken fellowship training in Thoracic Imaging and be eligible for licensure with the College of Physicians and Surgeons of Ontario.

All qualified applicants are encouraged to apply; however, Canadian citizens and permanent residents will be considered first for the position. To comply with the Government of Canada's reporting requirements, the employer is obliged to gather information about applicants' status as either Permanent Residents of Canada or Canadian citizens. Applicants need not identify their country of origin or current citizenship; however, all applications must include one of the following statements: "Yes, I am a citizen or permanent resident of Canada" or "No, I am not a citizen or permanent resident of Canada."

Review of applications will commence immediately and will continue until the position is filled. Only those selected for an interview will be contacted.
